FOREWORD

"As monumental bronze unchanged his look;
A soul that pity touched but never shook;
Trained from his tree-rock cradle to his bier
The fierce extremes of good and ill the brook
Impassive — fearing but the same to fear —
A stoic of woods — a main without a tear."

Campbell — "Gertrude of Wyoming"

We have received from the American Indian, a wealth of tradition and folklore that is ubiquitous in the daily life of not only the rural sections of this land but also in its busy metropolises. More than that, in our heritage from this race, we have been shown a way of life that accents honor, respect for tradition, responsibility, sincerity, humility, and love of country.

We, the editors of the Stapleite, have chosen the American Indian as our theme because we feel that we the class of 1958 have tried to achieve, in the past three years in Staples, some of the ideals and standards set for us by these early inhabitants of America. We hope that these standards and ideals of the American Indian will serve as guides for our activities in the future.

TO THE CLASS OF 1958

As each class leaves Staples, I am inclined to characterize each as though it were a single personality, for so it seems to principal and teacher alike. The class of 1958 has meant to all of us a tremendous sense of responsibility, for yours has been a group of high potential and we as a faculty always worry lest, under, us, you not realize your capacity. As we moved into the second half of the year, I began to feel confident that the challenge had been met and met successfully. To me this is a great satisfaction, heightened by the presence of my own son among you. May truth and honesty and kindness and loyalty and courage be said of you always, for these are the translation of your education into the good life.

In Memoriam

"Ye say they all have passed away,
That noble race and brave;
That their light canoes have vanished
From off the crested wave;
That mid the forests where they roamed
There rings no hunters' shout;
But their name is on your waters;
Ye may not wash it out."

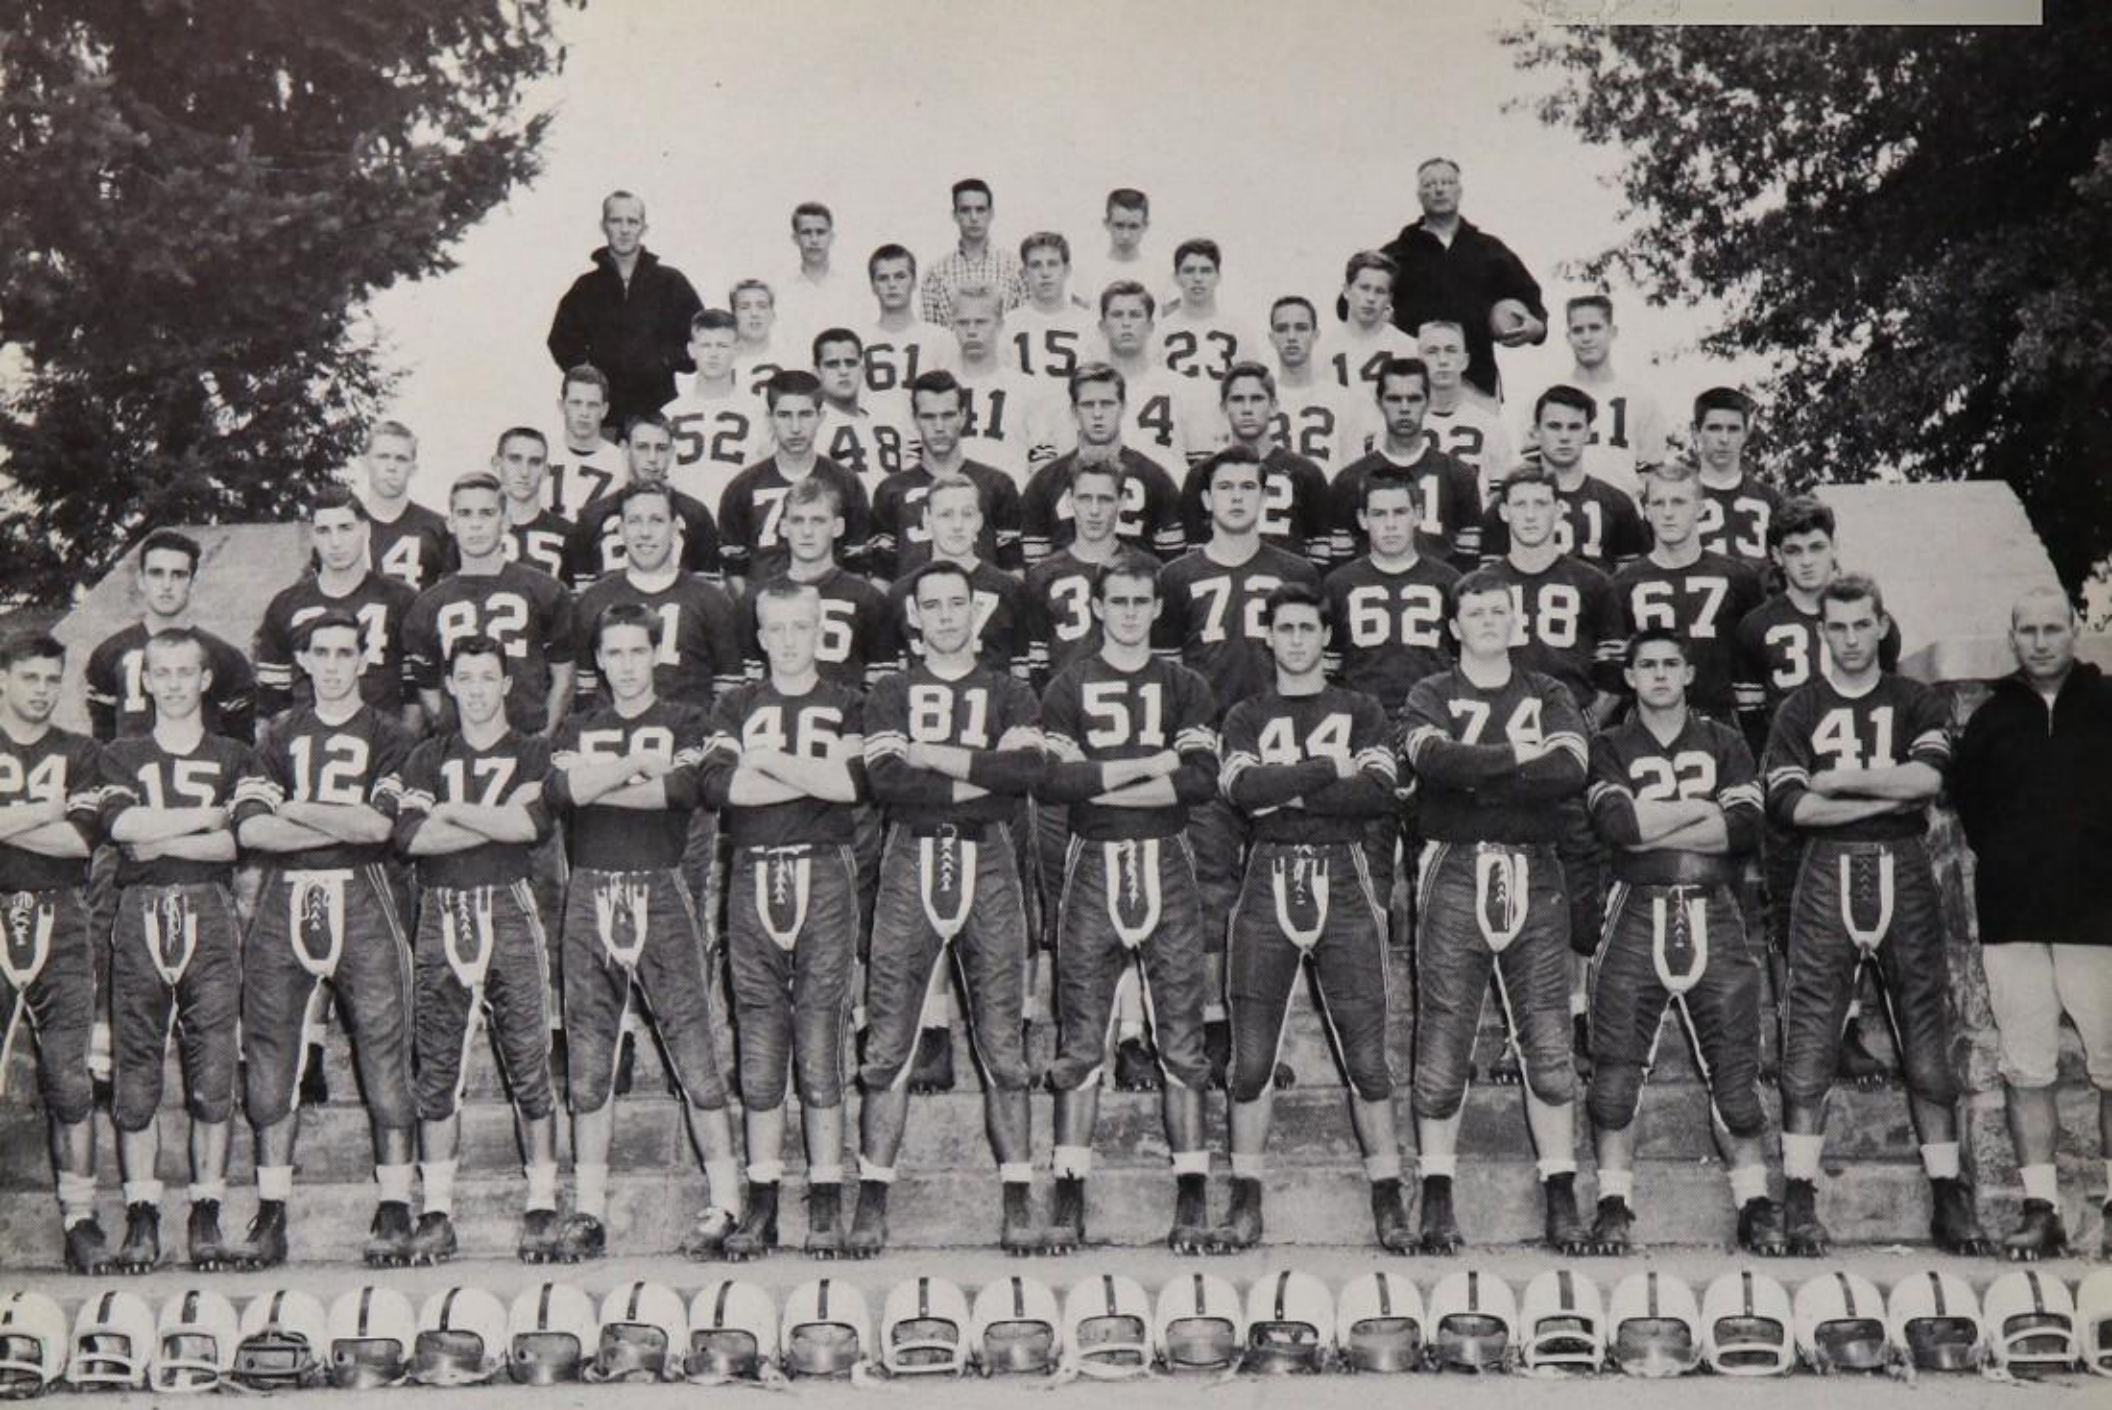
SPORTS



FOOTBALL

The 1957 season for Staples was not as impressive as former years. The schedule included six class A opponents, one class B opponent, and one class C opponent. Staples started the season with an inexperienced team, but soon through the guidance of head coach Frank Dornfeld and assistants Mike Chappa and Paul Lane, it became a team that was highly respected throughout the county.

The season getting off to a slow start by defeats at the hands of Roger Ludlowe 13-0 and Norwalk 21-0, was soon reversed when the inspired Staples team defeated New Canaan 29-0. This inspiration was almost lost when half the team came down with the Asiatic flu before the Bassick game. Due to this fact, Staples suffered another set-back at the hands of Bassick 25-13. The Asiatic flu got to such proportions that the games with Andrew Warde and Greenwich had to be cancelled. Staples then faced Danbury and undefeated Darien, their two roughest opponents of the season. The inspired Staples team, not to be discouraged by the physical setbacks, won a moral victory over Danbury even though the score was 21-7. Staples then played its last game against Darien and almost pulled the most surprising upset of the year. Darien had never had more than seven points scored against them in any game. Staples broke this record by scoring 12 points in the first half. In the second half Darien proved to be too powerful for the Wreckers and eked out a score of 25-12. This game ended a season in which Staples scored 61 points as opposed to 104 for the opponents.

Top scorers were Co-captain Bill Sullivan, Tony Hartley, and Don Bieling with 12 points apiece. Bill Eichelman, Steve Humphrey, and Pat Gruet had 6 points apiece, while Tucker Taggard kicked five extra points.

Twelve football seniors: Co-captain Bill Sullivan, Jim Long, Mike Reardon, Trent Smith, John Appleton, Bill Szarwak, Chris Nielson, Cy Adler, Larry Kanaga, Pat Gruet, Bob O'Brien, and Tom Wilson — will graduate this June.

At the annual PAL football banquet the major awards went to Co-Captain Bill Sullivan, for the Most Valuable Player, Tom Wilson the Most Outstanding Player, and Bill Szarwak the Most Valuable Reserve

CHEERLEADERS

Starting off with a completely new squad, with the exception of Cathy Boyd and Pat Dorsey, this year the Staples cheerleaders eventually exhibited the exceptionally fine spirit and talent that has always been a large part of the Staples football and basketball games. The support of the school band and the ardent Staples fans also helped considerably. The seven seniors on the squad were Cathy Boyd, Captain, Pat Dorsey, Faxon Green, Meg Brister, Judy Lambert, Lucy Specht, and Betty Mae Lanute. The five juniors were Cathy Friedman, Joan Ormand, Barbara Bogstahl, Georgi Dean, and Nan Sparks. Miss Virginia E. Parker served as advisor.

BASKETBALL 1957-58

Under the fine coaching of Albert Loeffler and Assistant Coach Paul Lane, the Staples Wreckers, Cinderella team of Connecticut, had a very successful season for their first year in Class A Competition. The Wreckers ended up with a record of 10 wins against 11 losses. The Cinderella team made the bottom of the C.I.A.C. ratings for the tournament by being awarded the 21st position. They pulled a big upset by winning their first game against Wilby, ranked 16th, 47-41. The Wreckers drew William Hall of Hartford, ranked 8th, for their next opponent. The Cinderella team pulled about the biggest upset in the State by beating Hall 67-50. In the quarter finals Staples dropped a tough one to Hartford Public 74-56. Bill Sullivan, Steve Humphrey and Mike Reardon played excellent ball in the tournament named to the 2nd All Tournament Team.

The team was led by its two co-captains Bill Sullivan and Mike Reardon. Reardon ended up the season with 338 points, Sullivan with 237, and Humphrey with 258. Bill Needham and Bob O'Brien filled in the back court with Buddy Frey and Mike Katz seeing plenty of action.

Next year's team will look toward upperclassmen Steve Humphrey, a varsity standout, Bill Needham and Buddy Frey, to take over where the Wreckers left off, — both on and off the court.

GIRLS' HOCKEY

This year the girls hockey team closed out a most successful season, one in which the undefeated varsity won six games while engaging in two ties.

Defense strong, Miss Parker's disciples limited the opposition to a mere two goals in the eight outings one to Andrew Warde, the other to Stamford. Meanwhile Staples banged up eleven goals past opposing goalies. High scorer for the season was Janet Olson with four goals; other scorers were Sara Knight — three — Janice Barry — two — Linda Foss and Jill Cody — one.

Jayvees, playing only a few games because of illness won once, lost once and had two no-score draws. Angela Allard scored the only goal for the season.

Members of the varsity were: Chris Randolph, Sara Knight, Janet Olson, Janice Barry, Joan Barbea, Pat Lane, Linda Foss, Sandy Fullerton, Ann Rodia, Katrine DeMaria (co-captain), Fran MacKenzie (co-captain), Betty Schaeppi, Jill Cody, Lucy Lees; Members of the junior varsity were: Dorothy MacKenzie, Carol Schaeppi, Angela Allard, Dana Scott-Wood, Darcey Miller, Pam Agnese, Virginia Aiken, Betsy Beardsley, Veronica Publo, Joan Leptic, Betsy Kramer, Elien Espenscheid, Janet Holmes, Noel Kleid.

Managers were: Carol Aspinwalk, Sheila Block.

BASKETBALL - 1958 GIRLS

The girls varsity squad had an almost perfect season this year with seven wins and one loss (this being to Darien).

The J.V. squad broke even with four wins and four losses for their season. Both teams were under the supervision of Miss Virginia Parker.

Members of the teams are as follows:

BASEBALL "1957"

For the first time in eleven years, the Staples Baseball Wreckers, under their coach Albert Loeffler, were unable to dominate the county class "B" league. The club's season record was seven victories and nine losses.

The team was led by Co-captains "Red" Izzo and Jack Mitchell. "Red" led the team in home runs with three clean sweeps. Jack, an all around man, batted .412 and had a perfect pitching record — 2-0. Sophomore, Dick Galley led the team in batting with .444, while senior Bill Green, a first year man came through in the clutch several times and ended up with a .388 average.

The club started the season with two smashing victories over Danbury and Wright Tech. Then they fell into a slump and couldn't get going again until sophomore, Steve Humphrey hurled a brilliant one hitter against New Canaan and enabled the team to gain a 6-0 victory. Later, the team picked up by dumping Wright Tech, Rodger Ludlowe, Andrew Warde, and New Canaan, but lost to Darien, Greenwich and Norwalk.

Staples this year will look toward seniors: Mike Reardon, Bob O'Brien, Billy Pinkham, Frank Bedell and Mike Katz.

STAPLES TRACK TEAM

The year 1957 saw the Staples Track Team edge Stonington 45½ - 37½, to walk off with class "B" honors at the C.I.A.C. State meet on Dewitt Creyler Field, Yale, June 1.

The Staples thinclads had a very successful season under the guidance of Coach Frank Dornfield and Paul Lane. The thinclads placed well at the state indoor meet and did equally well at the Fairfield invitational and the county meet. In their first duel meet with Stamford, Staples was decisively beaten. The determined Stapleites bounced back to whip Ludlowe and Stratford in a triangle meet. In their next meet with Andrew Warde, Staples thumped Warde 75 to 24. Staples went on to defeat Norwalk and Danbury in two very thrilling encounters. In the final Triangle meet with New Canaan and Darien, Staples missed winning by a margin of 4 points. The year 1957 produced many individual stops and also something more important, a great desire to win and team spirit.

Two records fell in "57", John Long broke an 8 year old record in the javelin throw set in 1949 by Charles Curtis who tossed the spear 157' 1". Long's toss was 164' 9½". The other record that was established was in the 880 yd relay at the C.I.A.C. meet. The previous record of 1:35.0 set by E. Wilson, G. Chappa, E. Samuelson, P. Russell in 1956 was eclipsed in the record breaking time of 1:34.9 by E. Wilson, J. Barmmer, W. Koopman.

The 1957 season was one of Staples greatest and with many promising and upcoming youngster the 1958 track team should be one to watch. It should be mentioned that Staples will be participating as a class "A" school, thus making the competition very stiff. If Staples keeps up its fine team spirit of last year, the team can be assured of a fine season.

GOLF

The Staples golf team, coached once again by Mr. Michael Chappa, had a very successful season; winning seven, tying one, and suffering only two defeats, both at the hands of Greenwich High School.

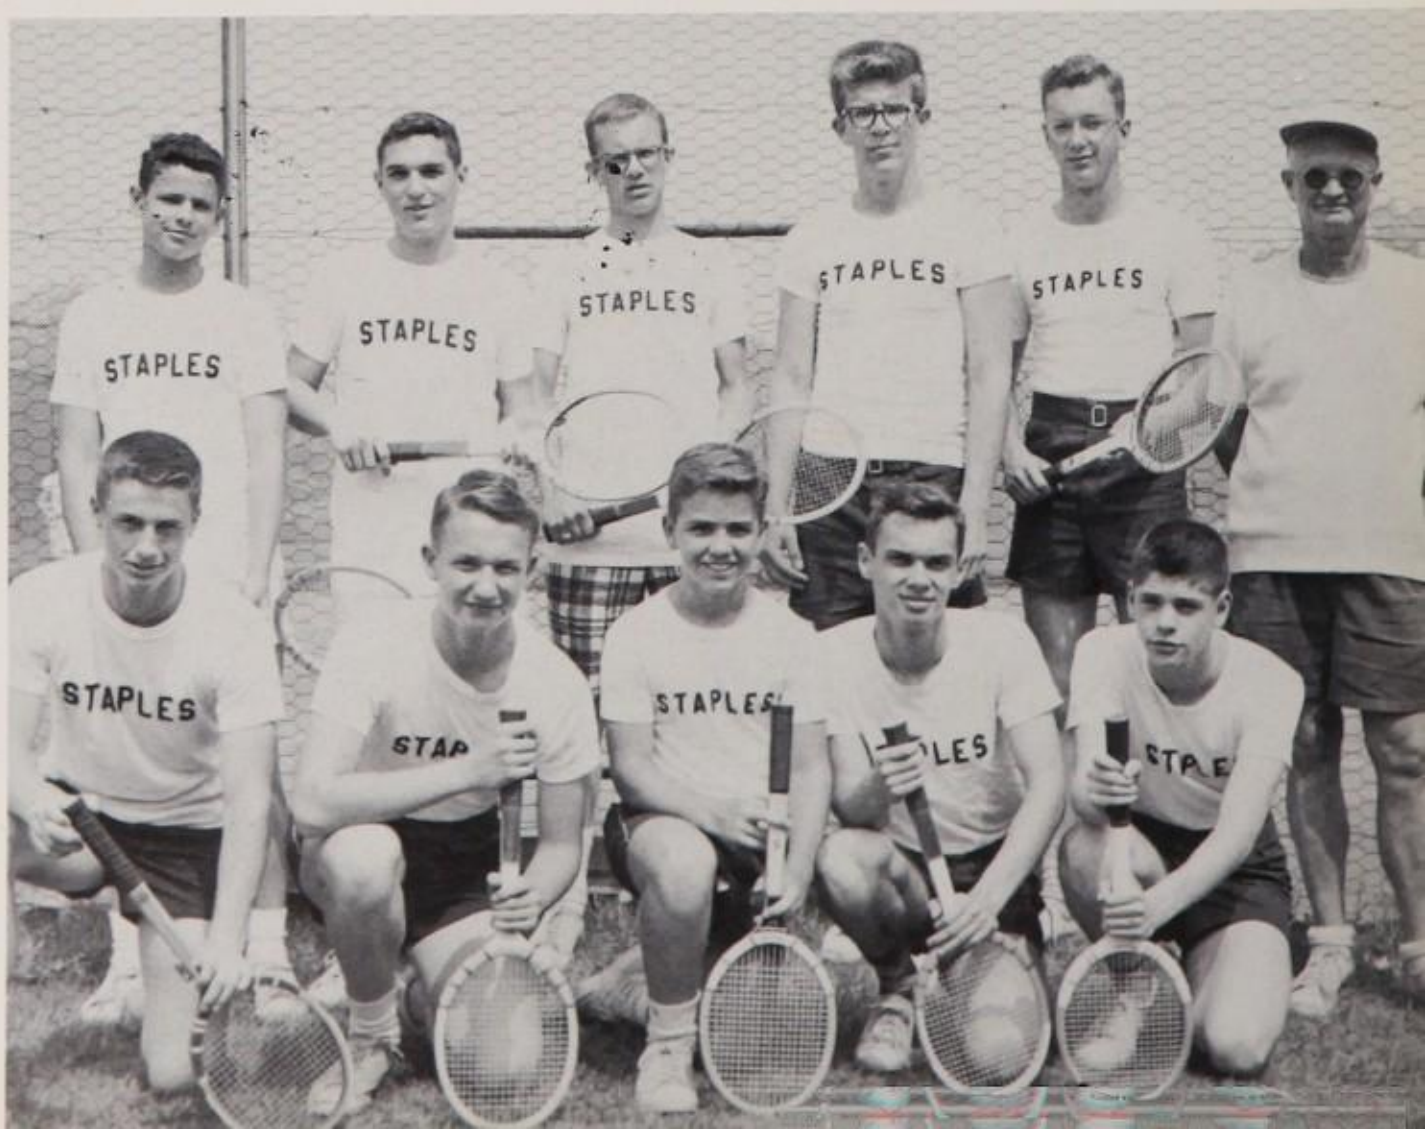
Starting members of the team were: Captain for the year, Rennie Law; Bob Patterson, Mike Rowland, and Micky Gilbertie. Alternates included Eddie Karazin, Mike Cunningham, Tom Treadwell, Ned Shevelson, and John Varley.

The team which automatically went to the county conference, also qualified for the state tournament having won more than half of its matches.

Although the team did not place high in either tournament, recognition was brought to Staples through the personal performance of Captain Rennie Law, who capped the Individual County Championship Crown.

TENNIS

Dr. Freeman Marshall, now in his forty-fifth year of meritorious service toward New England tennis, has again found himself a winner. Although last year's record was rather unimpressive, 6-6-1, the heart of the squad is returning, with the exception of fiery Geoff Reynolds, whose consistently superior playing greatly aided the squad. Lured away from Staples by the vast athletic resources of private institutions were S. S. Cunningham and Tom Winkopp who seemed certain to have gained their former positions. Pete Wright and Doug Given, seniors and Pete Grossman, Jr. who together form a powerful triumivivate, will return. Although they were carefully kept under wraps last year, Dave Goslee, Mark Hattenbach, and Steve Lefcourt will undoubtedly break into this year's starting six.



GIRLS' SOFTBALL TEAM

Last year the girls softball team, under the supervision of Miss Virginia Parker, lost four games and won three, the wins from Stamford 20-8 and 15-5, also Darien 9-5.

Members of the squad were: Judy Lambert, Patsy Whitehead, Nancy Converse (captain) Sandy Fullerton, Katrine DeMaria, Ann Rodia, Betty Schaeppi, Willa Sternbach, MaryAnn Brandstrom, Sandy Miller, Alice Morgan, Nancy Pease, Lois Anderson, Sarah Knight, Fran MacKenzie.

SWIM TEAM

This year the Staples Swim Team, coached by Ed Gillam and Jim McPherson, blossomed forth to finish second in the Southern Division of the State after a tie-breaking triangular play-off meet with Stratford and Greenwich. Staples had an impressive league record of 12 and 1, and an overall record of 13 and 2, losing only to Stratford and State Champion Torrington. Staples' 200-yard relay team took first in that event at the New England Championships, the entire team finishing fifth in a field of twenty-five of the best teams in the East. This was only the first year of existence of the swim team, under co-captains Alan Dolge and Joe Brophy. Next year's team promises another fine season.
